## **COMPANY OVERVIEW:**

Sun & Moon Heavy and Light Transport L.L.C was established in 2008. Since its establishment Sun & Moon has been one of the leading transport company in UAE. We attribute our size and growth to our extensive knowledge of the industry and our ability to meet the needs of marketers and end users in ever changing markets.

Sun & Moon Heavy and Light Transport L.L.C provides continuous products services of competitively priced in terms of Construction, Logistics, and Transportation services to the respected clients throughout the country.

From our client focused risk management programs to market competitive daily pricing, choosing to do business with Sun & Moon is the right choice in every respect.

Customer Service is the cornerstone of Sun & Moon LLC business philosophy. Sun & Moon L.L.C. employs the most knowledgeable and dedicated experts in Afghanistan, in order to provide tailor made solution to its customers. The strategic placement of Regional Representatives guarantees that your Sun & Moon L.L.C. representative will understand your markets unique supply needs.

We also understand that in UAE the professional business needs some specific competencies and a professional team of specialists & expert, so we have got representatives available to you 24 hours a day, 7 days a week, 365 days a year, in order to provide you the best quality of products and services.

## **OUR VISION:**

Our vision is to be the best company in the work in the eyes of our customers, shareholders, communities and people. We expect and demand the best we have to offer by always keeping Sun & Moon L.L.C. values top of mind.

## **OUR MISSION:**

Our mission is to remain reliable and efficient at the forefront of the Emirates Construction, Transport and Logistic industry through quality and hard work.

## **Team work**

The combined action of a group that fosters an atmosphere of enthusiasm creativity and support in the effective achievement of a common goal.

We are dedicated to a singleness of purpose delighting the customer and insist upon mutual support for one another in everything we do. The talents and productivity of our employees are the heart and brains of the company.

We individually and collectively maintain an agenda that reflects what is best

for all parties, even at the expense of individual self-interest.

We believe that as a team we have a greater impact than as individuals.

We seek out and apply our combined abilities and resources to the performance of our daily responsibilities.

We believe that teamwork is the most effective and efficient way of achieving our goals and exceeding our customer's expectations.

## Services:

We promise you nothing less. And we always keep our promises.

- Earthwork Small and Large.
- Grading & Paving
- Canalization

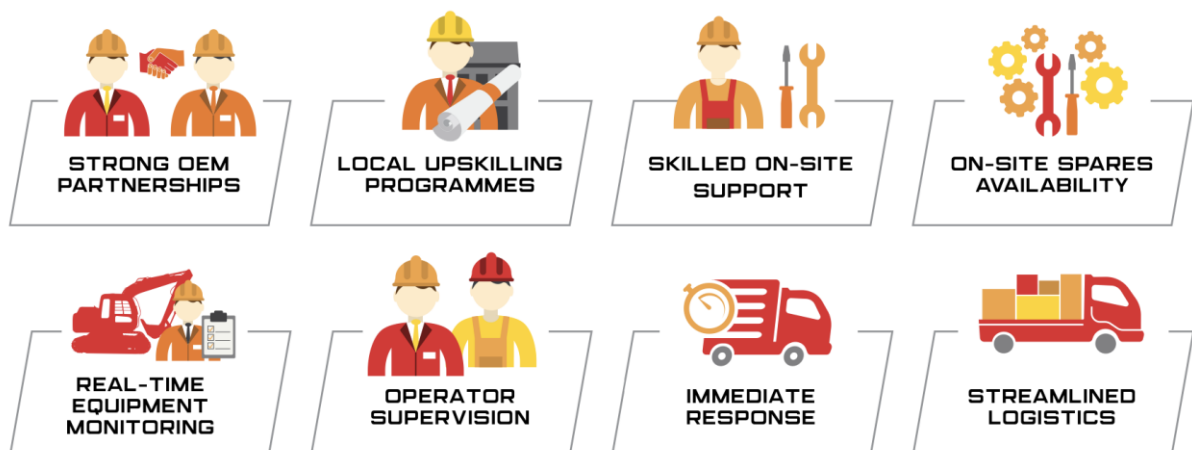

## Construction Machinery Management

This service involves managing major aspects of the project while you, as the homeowner, assume some responsibilities. This is an effective cost-saving method, particularly when you want more involvement in the project.

Our construction management team will lead, coordinate, engage, and measure the progress of the crews daily. Our number one task is to ensure that a quality job is completed - on time and within budget.

We'll take the time to understand your needs and the issues driving your decisions. Our team will work hard to make your project successful, adding value along the way.
